

Cigna Dental Basics

Covers \$1,250.00 per person, per Plan Year which is February 1 through January 31 of each year

- Cleanings and x-rays covered at 100%
- Any Restorative work (Class II or Class III services) has a once a year \$25.00 Deductible per year
- Class II services covered at 60% after the deductible
- Class III services covered at 50% after the deductible
- No waiting period if you go directly from one full service dental (Pays for Fillings, Crowns, Dentures) plan directly to Cigna
- You can go to any dentist, they do not have to be in the network. Cigna has a better out of state network than Delta Dental has
- Implants are NOT COVERED
- As long as you have your teeth cleaned at least once per plan year, your maximum plan limit will increase by \$100.00 each year until you reach a maximum of \$1,650.00
